

YEAR OF DELIVERANCE....FREEDOM.....RELEASE....SOARING

The year 2015 is a year of deliverance, a year of freedom, a year of release, and a year of soaring. I hear in my spirit that the Lord is about to take Covenant Warriors Church higher than we've ever been. Those who have ears to hear, hear what the Spirit is saying to the church. It's time to soar! The atmosphere is charged with change. Even as there is a noticeable appreciation of change in the Earth's atmospheric pressure that has caused a shift in seasonal temperatures, know that there is also appreciable change in the spiritual atmospheric pressure whereby I am causing my faithful ones to rise to a level where they are riding on thermal winds of blessings. This will bring great ease of flow and constancy of stability to those who have struggled for My name's sake, says God. Think it not strange as you begin to experience this change of atmospheric pressure--you belong there; for this year, I am releasing you to soar. Have I not said you will sit and eat at king's tables? For God is not unjust to forget your work and labor of love which you have shown towards His name in that you have ministered to the saints and do minister (Hebrews 6:10). The king's table is being set and you will sit and eat of the delicacies being prepared for you.

You will see this year that God has begun to break strongholds off your life that have held you hostage to your own self. God is turning some things around for you. Things that once worked against you are suddenly beginning to work for you. Stop looking for it to happen and embrace it because it is not going to happen--it is already happening! God has spoken, so let the Church say AMEN [*I agree; so be it*] and come in line with it and walk in it. You will realize things, people, and targets once difficult to obtain, to reach, and to achieve will suddenly become obtainable, reachable, and easily achievable.

This is a year of restoration, forbearance, and forgiveness. In this year, there will be things released to you and things released by you. ON THE GROUND OF GOD'S WORD, if you will hold nothing back and give God total access, He will release into your hands, into your life, His good plans that He has for you. You will begin to walk in a new level of health, wealth, relationships, boldness, and confidence for your guaranteed future success. One of the things God will release to some this year is debt forgiveness. Entire debts will be canceled! For others, He will release debt reduction and it will happen this year. So, don't be afraid--ASK, BELIEVE, PURSUE, and RECOVER [all]!

Unwavering faith in action shall be the order of the day. Let not he who is double minded think he will receive anything from God because a double minded man [or woman] is unstable in all his ways (James 1:8). It is not God's will that any should be left behind, but this year of deliverance, freedom, release, and soaring will surely be for the faithful. Those who refuse to acknowledge and follow Jesus when He makes His presence known as in the regions of Dalmanutha and Bethsaida (being hardhearted and rebellious) will witness the blessings but will not be partakers of them.

Finally, this is the year of continued growth and expansion. It is also the year when the plans for the new edifice for Covenant Warriors will come clearly into focus. The Lord is bringing into focus that which has been obscure, blurred and distant. He is releasing clarity of vision, purpose, and direction to His people. When you look up and see men looking like trees walking, HAVE FAITH! The Lord says look up again, and as you fix your eyes on definiteness of purpose, clarity will come and you will see everything distinctly, even that which once was at a distance (Mark 8:25).
