

Stronger

On December 31, 2017, at 8:25 a.m., I heard the Lord say that you are stronger than you know. The enemy tried his best to break you by throwing every blow that he could at you. He attacked your family, health, finances, and jobs, but you continued to stand in faith, saying what I said. **YOU DIDN'T STOP! YOU DIDN'T GIVE UP! AND YOU DIDN'T QUIT FAITH!** You continued to do My will in the midst of it all and **GLORIFIED ME!** 2018 will be a year of continued manifested blessings. CWCC, continue to hold fast to My words. **THIS IS THE YEAR OF SUCCESS,** says God!
