

**NEW YEAR'S EVE:** My husband and I waited with excitement on the night of December 31<sup>st</sup> with alarms set and our Sparkling White Grape Juice chilling in the fridge in preparation for our midnight toast to the incoming new year, 2022. Technology did not fail us. The alarms went off and we counted down the seconds to cheer in the new year; had our toast; made our declarations, sent and received a few Happy New Year greetings; then we were off to bed.

**I HAD A DREAM:** After going to bed, sometime during the early morning, I had a dream. I dreamed I was helping with preparations for a wedding that was to take place the next day. I don't know who was getting married, but I was making a dress for a little girl who would be in the wedding. It appeared that the wedding was to take place at the Embassy Suites Hotel in Montgomery, Alabama. I remember driving around the area several minutes looking for a parking space. We were gathering there for what I assume was the wedding rehearsal. I finally got parked and joined those already inside. After taking care of the business we were there for, I exited the hotel and headed for my car, except...I couldn't remember where I had parked. Recall that I had to drive around several minutes looking for a parking space and now, as I am leaving, I cannot remember where I parked.

I recall thinking...I can walk around looking for my car until I eventually find it (I guess) or I could ask for help in hopes of finding my car sooner. **I MADE THE DECISION** to ask for help. It was my husband who helped me. He drove me around the parking area and we found my car. I got in, drove off, and the dream ended.

To the ordinary mind, that dream wouldn't mean much at all. However, because I know how God speaks to me through dreams, I awaked KNOWING I had just heard from God and He had given me (on the first day of the new year), the last piece of the prophetic word I was to deliver to the church this month. I was excited that God had spoken to me so early, because in years gone by, I have labored, and labored, and labored some more up to the day the prophetic words were due to be submitted to Apostle—sometimes right up to the designated deadline on the due date, and this year, on January 1, 2022, I have my word!

I heard a word; I heard a command; and I had a dream. The word was complete. But what is God saying to me for the church?

**I HEARD A WORD:** In November 2021, I heard in my spirit the word, **NAVIGATE**. I thought that was interesting as my word to the church last year titled “Recalculating—Reversing the Route” dealt with navigation, and it ended a three-year serial prophetic message concerning Elijah and the Valley of Dry Bones from Ezekiel Chapter 37. Is God about to give me another serial prophecy?

**NAVIGATION** (according to Merriam-Webster.com) is “the science of getting ships, aircraft, or spacecraft from place to place, *especially*: the method of determining position, course, and distance traveled.” In my simple terminology, navigation is about helping or guiding someone or something **TO GET SOMEWHERE SPECIFIC**.

**I HEARD A COMMAND:** On November 19, 2021, I heard the command, **RISE UP YOUNG MAN, RISE UP!** But interestingly, it was in the **tone** of the famous quote credited to American Author Horace Greeley, “GO WEST, YOUNG MAN,” which also is a command that is directional...which is navigational...which is mentoring! It is about helping or guiding someone or something **TO SOMEWHERE SPECIFIC**.

**MENTOR** (according to Merriam-Webster.com) is “someone who teaches or gives help and advice to a less experienced and often younger person.: Again, in my simple terminology, mentoring is about assisting, advising, guiding, warning, directing, leading, pointing someone **TO SOMETHING OR SOMEWHERE SPECIFIC**.

Then, on December 26<sup>th</sup>, the last Sunday in 2021, Apostle’s message, “Dare to Hope,” dealt largely with my 2021 prophetic word, “Recalculating—Reversing the Route.” I just smiled within and said, God, look at you—confirming the word you spoke into my spirit for 2022 - **NAVIGATE**. Why do I say that?

My 2021 word dealt with navigation (using your GPS—God Provided Services), which fits perfectly with this year’s theme, “**THE YEAR OF MENTORING AND LAUNCHING,**” which the Lord showed me is about **NAVIGATION**--helping or guiding someone or something **TO SOMEWHERE SPECIFIC**.

**ELDER SHARLEAN BRIGGS’ 2019 PROPHECY:** Now, the Lord led me back to Elder Sharlean Briggs’ January 27, 2019, Prophecy, *Understanding the Times*. In this word, she spoke of the Issachar anointing from 1 Chronicles 12:32. In part, it reads...

“...the Bible speaks about the sons of Issachar who had understanding of the times, to know what Israel ought to do. Today, Biblical scholars and Theologians call this the Issachar anointing. It is the ability to proclaim the right word to the right people in the right place at the right time! It is the ministry of **knowing the times AND what God's people should do to be prepared.**”

**God is so amazing! Now, watch this!**

**PROPHET GALE SHEEHAN’S 2019 PROPHECY:** Prophet Gale Sheehan was part of a Presbytery that prophesied to us on March 24, 2019, at the Dedication Service of our new edifice and this is an excerpt from his prophetic word:

“The Lord says, there’s a second wind of the prophetic that’s beginning to blow on you for destiny purposes and plans. It’s going to be like a second wind in the natural that comes to runners and causes oxygen to be boosted even within their natural bodies. This supernatural wind is even as Ezekiel that prophesied to the dry bones and they came together as an exceedingly great army. The Lord says, I

will show up on your behalf and show myself strong as the God of Supernatural Abundance in the days and years ahead. Ask for the big things again, says God, and watch what I do for you.”

Now I have all the pieces of the prophetic word God gave me for this 2022 year. So, under the Issachar anointing (timing) and that second wind of the prophetic, this prophetic word is spoken into your hearing. Hear ye, the Word of the Lord!

## **SEASONS OF OPPORTUNITY**

### **IT'S TIME TO LAUNCH! LET ME DRIVE**

Your Red Sea is about to miraculously part. Let me say that again. Your Red Sea is about to miraculously part. This parting of the Red Sea is as much about timing as it is miraculous. It was the precise timing of Moses, God's servant, that caused the Israelites to successfully cross the Red Sea on dry ground while successfully closing it on Pharaoh's army and causing them to drown. If the Red Sea had parted for the Israelites too late, Pharaoh's army would have captured them.

This is the same kind of timing the Word of the Lord speaks of for you, Covenant Warriors. This is your season of opportunity and it's time to launch. **But...Warning! Warning!** There is no time to lose, so the Word of the Lord is, **LET ME DRIVE!**

When you are trying to GET SOMEWHERE SPECIFIC by a SPECIFIC TIME, you need your best driver. My husband ALWAYS drives and I NAVIGATE (along with the GPS) when we are operating under a time restraint. Know your limitations and move over! A license to drive a four-wheel sedan does not qualify you to drive an 18-wheeler. Your four-wheel sedan cannot get you where you need to go. It cannot take you through the rough terrain that lies ahead. We are in **STARSHIP** mode now! Proper navigation and steering are crucial to the success of this launch.

**DR. KLUANE SPAKE'S 2019 PROPHECY:** Dr. Kluane Spake was also part of the Presbytery that prophesied to us on March 24, 2019, at the Dedication Service of our new edifice and this is an excerpt from her prophetic word:

“...We have been speaking to the seed...but the seed is grown now and we need to speak to the ground. It's time to **LAUNCH**. There's a launching that has to happen, and I had like a Seer experience where I heard this strange thing. I heard one word – **STARSHIP**. This [meaning Covenant Warriors' facility] is a Starship that suppose to go where other churches have not gone...”

**STARSHIP** (according to Google) is a spacecraft. Here again is yet another reference to a mode of transportation to take us somewhere, BUT...it is somewhere specific. I believe the reference to going where other churches have not gone speaks of navigation/direction.

Since the inception of the ministry, God has used Covenant Warriors to blaze trails through the frontier. We've moved from just being a Lighthouse to a Starship. We are no longer just a structure with a powerful light that gives a continuous or intermittent signal to navigators; we're a Starship—a spacecraft that is moving and guiding others to destiny purpose and plans.

Under the Issachar anointing, as explained by Elder Briggs, we are operating in “the ministry of **knowing the times AND what God's people should do to be prepared.**” You are in a Season of Opportunity and It's Time, so, kindly move over and LET US DRIVE.

## **THE YEAR 2022 WILL BE A DIVIDED YEAR-** A Year of Supernatural Abundance and a Year of Lack.

Just as in my dream, when I could not remember where I had parked, I could have **CHOSEN** to go it alone to look for my car, and maybe eventually find it, or I could do as I did, **ALLOW** someone to help me; to guide me.

My dream was about MENTORING (NAVIGATING), allowing someone to help or guide, even drive, so I didn't lose precious time. This is a prophetic message to all who understand the timing of time. **DON'T MISS YOUR LAUNCH!** There is always a countdown before a spaceship lifts off because there must be precise timing for synergy—all things working together for the good of the whole.

Help is available in this Year of Mentoring and Launching. I keep hearing that this truly is a Kairos season of opportunity for the faithful ones in the Body of Christ (not just Covenant Warriors), but everyone who will hear and obey the voice of the Lord. Remember this is a divided year. So, **YOU MUST CHOOSE WISELY** because you have a marked-out time. Choosing to let God drive means choosing to be mentored in this season—allowing someone to help you; to guide you. Those operating under the Issachar anointing have “the ability to proclaim the right word to the right people in the right place at the right time!”

The Lord says, I need you to trust MY plan. You cannot accomplish by yourself the purpose and plans I have designed for you. My plans for you are much bigger than you and I know how to get you there, but you must LET ME DRIVE. That means, you must allow me to build an INFRASTRUCTURE to guide you successfully through the launching process. To one I have given vision; to another gifting; to another skill; to another a business idea; to another desire; to another faith; to another favor; to another finance; and to another anointing. **YOU ALONE DO NOT POSSESS ALL THAT IS REQUIRED TO FULFILL DESTINY, BUT IF I AM ALLOWED TO DRIVE, I CAN GET YOU THERE.**

I spoke into the spirit of my servant, RISE UP YOUNG MAN, RISE UP! Because IT'S TIME TO LAUNCH. Fertile ground and great opportunities for success are ahead. I'm preparing your ground for the liftoff. The infrastructure I plan for you will include the young and the old—those with strength and those with knowledge of ME and strength and knowledge in the areas of transportation, communication, resources, and networking. [I John 2:14 NKJV- I have written to you, fathers, because you have known Him who is from the beginning. I have written to you, young men, because you are strong, and the word of God abides in you, and you have overcome the wicked one.]

**IN THIS DIVIDED YEAR of...Supernatural Abundance and Lack...**If you **CHOOSE** to obey the voice of the Lord, nothing in the elements will be able to stop God's blessings from overtaking you, even though there will still be much adversity in the elements.

IN THIS KAIROS (SEASON OF OPPORTUNITY), IT DOES NOT MATTER WHAT IS HAPPENING **AROUND** YOU; YOU WILL BE FORTIFIED SO THAT IT IS NOT HAPPENING **IN** YOU!

**“WATCH WHAT I DO FOR YOU, SAYS GOD!!!”**
