

Stronger Together

On January 16, 2022, I had a dream and in this dream I saw individuals in their homes, very anxious. As I watched them pace back and forth in the dream, I heard the phone ring in their homes, but no one answered the phone. However, the answering machine picked up and I heard a voice say, “**Hello? PICK UP THE PHONE! IT IS WISDOM AND PATIENCE CALLING!!**” Even after hearing the message come through the answering machine, no one picked up the phone. It was very strange that no one answered the phone, but instead continued to pace back and forth wringing their hands together worrying.

When I awoke from the dream, I was aware that the voice on the answering machine said Wisdom and Patience instead of Wisdom and Instruction like it is found in **Proverbs 1:2-3 New American Standard Bible (NASB)** **2**To know wisdom and instruction, To discern the sayings of understanding, **3**To receive instruction in wise behavior, Righteousness, justice, and integrity;

I then heard the Lord say that Instruction was not on the call because the instructions have already been given. Each individual just need to do what he/she has been instructed to do in times past. However, Wisdom and Patience were calling them to get his/her attention so that they could make better choices. As stated in the dream, the individuals were very anxious.

Philippians 4:6-7 New International Version (NIV)

6 Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. **7** And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

God says that He does not want us to be anxious about anything, but to **TRUST HIM IN ALL THINGS**. In this year, we will be faced with a lot of difficult decisions to make, but we must take the time to pray and seek God’s face for guidance. Seek out Wisdom. **Proverbs 11:14 King James Version (KJV)** **14**Where no counsel is, the people fall: but in the multitude of counsellors there is safety.

Once you have sought out Wisdom and received advice, follow the instruction; be patient and wait on the Lord. There are many blessings that awaits you in this year, despite all the chaos and turmoil that surrounds you. Keep your eyes set on Me, says God, for this is the year of **COLLABORATION, COMMUNICATION AND COOPERATION**. There is strength in numbers and you are **STRONGER TOGETHER!**
