

On January 14, 2024, while Apostle Leander Robinson was ministering the final part of the “We Must Live Until We Die” series under the 2024 Theme: “Having A Spirit of Expectancy--Now & Beyond!!!” I heard in my spirit, **WARP SPEED!!!**

As I continued to listen to the message, I then had an impression in my spirit regarding the numbers 24 and 28. On January 24, 2024, I finally looked up the biblical meaning of the numbers 24 and 28. Biblestudy.org says that... “The number 24 is associated with the priesthood. Since it is composed of a multiple of 12, it takes on some of 12's meaning which is God's power and authority, as well as symbolizing a perfect foundation, except in a higher form. 24 is also connected with the worship of God especially at Jerusalem's temple.”

I then looked up the meaning of the number 28, and the Biblewithus.com site states that the number 28 “...is believed to hold significant symbolic meaning in the Bible. According to biblical scholars, it is often associated with **new beginnings, resurrection, and eternal life**. The number is also believed to represent perfection, completeness, and divine order.”

After looking up the two numbers, the number 4 stood out to me, so I looked up the biblical meaning for the number 4. Biblemeanings.net says that “The number 4 in the Bible **symbolizes physical and spiritual completeness, creation, faith, humility, grace, mercy, faithfulness, and blessing.**”

The number 24 is for the calendar year, while the number 28 is for the number of years that Covenant Warriors Christian Center (CWCC) has been serving the community. Whereas, the number 4 is the difference between the two numbers, ironically, both numbers are composed of multiples of 4. As I continued to pray to the Lord, I reminded myself that there is a word; then I drifted off to sleep. When I woke up on January 25, 2024, at 4:13 am, I heard the Lord say that He is refining CWCC. The ministry has been steadily moving along, but now it is moving at **WARP SPEED**. This is the year of **DISCOVERING AND RECOVERING**.

Covenant Warriors has been ministering in the City of Greenville, AL for 28 years, but there is a newness about the ministry this year. I then heard parts of the lyrics from gospel artist Tye Tribbett’s song “New.”

“New, new, new
Everything new, new, new, new
New, new, everything new
New, new, new
Everything new, new, new, new
New, new, everything new
I'm ready to go
Ready for more
I'm ready for new

Like it's straight out the store
You already know
I'm ready to flow"

This is the year that ministry will flow like never before. Some people will be discovering our ministry for the first time and connecting. This is also the year that those who had drifted away will be recovered. The Lord spoke this to me in a dream on Wednesday night, January 24, 2024. I dreamt that Deaconess Sandy came into the church and asked Elder Pat what was the line up for the Sunday service. Elder Pat proceeded to tell her the line up and Deaconess Sandy was ready to minister. God showed me that the people He is sending, are coming in ready to work. For the grounds have been prepared for the rain, and it is now **HARVEST SEASON**--The year of harvesting souls!!! God is continually cultivating the soil.

Colossians 2:7 (NLT)

Let your roots grow down into him, and let your lives be built on him. Then your faith will grow strong in the truth you were taught, and you will overflow with thankfulness.

CWCC has been praying for the soil and now it is ready to produce much fruit. God said that the ministry has been planted like a Chinese bamboo seed. It appears as if nothing has been happening on the surface. However, you're now **READY TO SPRING FORTH** so that everyone will now see what the Lord has been doing underground. It will be like a suddenly, but you have been here all along, says God. **WARP SPEED, WHILE STILL REMAINING STEADY AS SHE GOES!!!!**

At this point my mind was blown about the things that God is doing. He then reminded me of a dream I had on Tuesday night, January 23, 2024. While on the prayer call Wednesday night with the Prophetic Team, I jokingly told the team that I needed a DREAM. I completely dismissed the Tuesday night dream, whereas, God had a plan and purpose for that dream. On this particular night, I dreamed that I was in an unknown lady's home who had a leaky faucet. In the dream, the lady and I walked towards the faucet to see what was wrong. She maneuvered the faucet to stop the drip in the sink. However, I still heard water spraying. I advised the lady that the problem was not fixed. We then removed a portion of the wall and discovered the leaking pipe and repaired it. The Lord then said that He is not just repairing what the eyes can see on the surface. **NO, HE HAS REPAIRED WHAT THE EYES CANNOT SEE.** He has gone beyond the surface. In our lives, we may be like the faucet that appears to be fixed once the leak has stopped, but the issue is behind the wall. In 2023, God did an internal work in us individually and collectively. Every Joint Supplies (Elder Sharlean Briggs 2023 word). When you repair a leaking pipe, you stop wasting water, prevent further damage to the surrounding surfaces and you restore the water pressure to its fullest capacity. God has repaired the leaking pipe and we are **RECOVERING ALL!!** Through this dream that I dismissed, God showed me how, what we see as being small or insignificant can be used by Him.

God has not been preparing us for **THINGS**; He has been preparing us for **PEOPLE!!** As the people come, the things will be automatic. I can hear Brother Johnny say, "Do first thing first

with the end in mind.” As we go throughout this year, we will go forth with **PRAISE AND WORSHIP in our hearts and spirits.**

Revelation 4:9-11 (NLT)

9 Whenever the living beings give glory and honor and thanks to the one sitting on the throne (the one who lives forever and ever), 10 the twenty-four elders fall down and worship the one sitting on the throne (the one who lives forever and ever). And they lay their crowns before the throne and say, 11 “You are worthy, O Lord our God, to receive glory and honor and power. For you created all things, and they exist because you created what you pleased.”

THIS IS OUR YEAR TO WORSHIP GOD IN ALL THINGS!! FOR THIS IS THE YEAR OF WORSHIP!!
