

“Let God Arise And Let His Enemies Be Scattered”By Prophetess Lois Robinson

I cannot bring forth this 2025 word from God without incorporating snippets from my 2024 word entitled, COURT IS NOW IN SESSION AND THE VERDICT IS IN, because it is a progressive, continuous, and advancing word.

That word was delivered to the church on January 28, 2024. Throughout the year, God continued to unfold new revelations of that word to me. When I encountered something noteworthy as I read God’s word, I would jot down a note for later reference. More on those notes later.

Quoting from my 2024 word, “This is a year where the line of trust is drawn...The line is drawn, and the time has come to stop straddling the fence concerning your beliefs. Make a choice and a commitment. Your faith in God and your commitment to Him are on trial.”

I have titled my 2025 word to the Church:

“Let God Arise And Let His Enemies Be Scattered”

On the morning of November 5, 2024, during one of our morning conversations, Apostle Robinson shared with me that God had given him the theme. He said our 2025 theme is **BELIEVE!!!** That is the one word I initially received from God when I was seeking him for the prophetic word for 2024. I then shared with him a note I had written that God gave me on November 1, 2024, that aligned with what he shared.

November 5, 2024, was also our General Election Day, and through the democratic voting process, America made a political decision that many believe will further perpetuate the ongoing racial divide and, in many ways, adversely affect especially people of color and the poor and middle class of America. Our nation selected Donald John Trump to serve as the 47th president of the United States.

Let’s revisit the conversation we had earlier that morning, November 5, 2024. God said our theme for 2025 is **BELIEVE!!!**

Be assured, Apostle Robinson definitely heard from God. Here’s the note I shared with him that I wrote on November 1, 2024: “Whom do you trust? Whom we trust in times of trouble reveals a great deal about what we believe.” If you don’t think these are trouble times we’re facing, let me assure you, you are wrong. Oh yes, we have some difficult days ahead but hear this.

By the Spirit of God, Apostle Robinson said recently on two different occasions, **“It doesn’t matter who’s in the White House; What matters is who’s on the Throne!”** Saints of God, don’t look for answers in all the wrong places. It can get you in a lot of trouble; it may even cost you your life. **Look to the One who is on the Throne!** In the book of Revelation, the word of

God says, “Blessing and honor and glory and power belong to the [O]ne sitting on the throne and to the Lamb [Christ] forever and ever. [Revelation 5:13b NLT]

Now, let’s go back to the subtopic, **THE PROPHETIC VOICE**, in my 2024 word. I stated,

There will be a continued escalation of chaos, deception, and heightened evil in the earth on all fronts, **especially politically and spiritually**. There will be darkness that will attempt to cloud your vision, bring bouts of confusion, and attempts to hack your belief system with violent force to literally engage you in fights that are not yours. Fear not, says God! You must keep your eyes on Me and TRUST and BELIEVE that I got this, says the Lord. “Let God arise and let His enemies be scattered.”

Then, under the subtopic, **HERE ARE YOUR INSTRUCTIONS**, I said by the Spirit of God:

Go back and read and reread the promises I made that are yet to manifest. **TEAR DOWN YOUR DUMB IDOLS and turn your FULL attention to Me. You must take your eyes off of dead things, NOW!** Stop looking for man to fund your plans. **I WILL GIVE YOU STRATEGIES TO WIN.** It will not come from your smarts, your intelligence, your job, your friends, your connections, false prophets speaking lies into your ear or any other dumb idol. I know the plans that I have for you and I will bring them to pass in your life, says God. [Jeremiah 29:11] The Lord says, My LOVE must continue to be exhibited in the earth regardless of what is happening around you. Make no mistake! **YOU MUST HAVE A SPIRIT OF EXPECTANCY FOR WHAT YOU EXPECT...** Again, I say, this will not be a suddenly but it is certain, for this is **THAT DAY** and **I AM THAT GOD** who has promised and **I WILL SURELY DELIVER. I KEEP MY PROMISES!**

I am awed as I delve deeper into what God gave me in light of everything that transpired in 2024, catapulting us to this moment where, again, we find ourselves in tremendous political, spiritual and economic chaos. But we must remember who’s on the Throne. ***If God is for us, who can be [successful] against us?*** [Romans 8:31 AMP]

Covenant Warriors, may I remind you that, everything this ministry has ever done; everything we have ever accomplished; it wasn’t because we had the resources; **all we had was a word from God, but a word from God was all we needed.** IS THERE ANYTHING TOO HARD FOR GOD? The word of God tells us in Luke 1:37 [NKJV], ***“For with God nothing shall be impossible.”*** He didn’t bring us this far to leave us. Even when things look scary (and they do) and when everything around us looks chaotic (and it is), God said, **TURN YOUR FULL ATTENTION TO ME. I WILL GIVE YOU STRATEGIES TO WIN.** We got to BELIEVE y’all! Do not look for answers in all the wrong places. Trust and BELIEVE in God!

Saints of God, the Lord said, this is **THAT DAY** and I am **THAT GOD** who keeps My promises. Recall that, in 2024, I saw those who were standing at the **ENTRANCE TO THE PORTAL**. Those of you who have remained faithful and committed to God, you are no longer

waiting; you are now walking into the Peace, Provision, and Protection of the **TRANSFER PORTAL**. Father God saw this day coming and warned of it and made provision for His children. We truly need this ark of safety from the storms that lie ahead because even in the **PORTAL** we will experience the storm, but we will be safe while riding it out. As stated before, “this portal is not a physical move, but it is access to new levels--new visions with new provisions, new heights with new sights.” “It is a shift and new alignment.” Now, if you say, no, that’s not happening for me; then sadly, it will not happen for you! If you say, I don’t believe that—all this talk about a portal; then sadly, you will not experience it! Only those who say, yes Lord, be it unto me according to the words You have spoken; for them, it is so! Selah! The evidence has shown that your faith and your commitment to God which were on trial have proven faithful and you win. Rest assured, there are difficult days ahead, but you will have Peace! Even now, some are facing head winds of adversity, but the battle is not yours; stay in alignment with God and you will have the Lord’s Peace, Provision and Protection.

This year, we need to make this declaration, **“Let God arise and let His enemies be scattered.”** Decree and declare that God will triumph over His enemies. Through this powerful declaration, you are acknowledging that God’s power is enough to triumph over anything!

The Lord revealed to me that we are now walking in our **Genesis 31** promised blessings. While this is the scripture the Lord highlighted to me, the word **“genesis”** was also highlighted. Genesis is “the origin or coming into being of something” according to Merriam-Webster. God gave me this for His children! So, I decree and declare that, as the seed of Abraham, these blessings of Jacob are ours and this is not your exodus, but it is the beginning of the manifestation of promised blessings.

Blessing #1: The Lord says, when their countenance changes and they are no longer favorable towards you, DO NOT FEAR. **I will not allow them to hurt you. “If God is for us, who can be [successful] against us?”**

Blessing #2: The Lord says, when your wages have been deceptively changed 10 times over the past 20 years, DO NOT FEAR. **I will give you strategies for supplemental provisions that will prosper you immensely. “If God is for us, who can be [successful] against us?”**

Blessing #3: The Lord says, when they have amassed much wealth by the sweat of your brow and seemingly the odds are against you, DO NOT FEAR. **I will guard and protect your resources because of your faithfulness. I will give you dreams and visions to greatly increase your resources. You will lack nothing. What was meant for evil, I will turn it around and use it for your good to greatly increase your wealth. “If God is for us, who can be [successful] against us?”**

All of these blessings connected with the promises God made, are available to you BECAUSE OF YOUR OBEDIENCE TO TRUST AND BELIEVE IN GOD.

As I close this word, let me warn those of you who refuse to hear and obey. Your promised resources may be lying in a vault of unclaimed properties because you continue to refuse to do what is required to access them. I am reminded that, last year, there were monies that were due

to me in the form of a reimbursement. I was informed that the check was in the mail, but I never received it. I continued to make calls, and after several months, I was informed that the monies had been sent to the Alabama Unclaimed Property Division due to an error made by the issuing agency. So, the check was never put in the mail. Now, I had to fill out form after form after form, pay monies to acquire supporting documentation, and get notarized affidavits to prove who I was and that I was entitled to what was rightfully mine. Remember, this was just a refund, not new monies. After submitting all required documentation, I was told that wasn't sufficient and they still needed more. I continued to fight for my refund and I finally received the check. At any point, I could have become frustrated and given up, but that wasn't happening. I was willing to fight for what belonged to me. Though it was already mine, I was required to jump through many hoops to access it. While pursuing my funds, I noticed that there were hundreds, maybe thousands of other unclaimed monies and properties waiting in the vault.

Are your promised blessings lying in a vault with your name on them, waiting to be claimed, but you refuse to fulfill the requirements of God to access them? That is a question, not a rhetorical statement (meaning, I am not asking for effect with no answer expected). **You need to answer that—not for me but for yourself! Selah!**

By the way, while I was in search mode, I checked another state where we had lived almost 30 years ago and found other resources in that state's unclaimed property depository in our name. This was not a refund; it was new money. Guess what I did? You guessed it! I went after it!

If a state will hold properties in your name for years and years and years, and release it to you upon receiving proper documentation, how much more should we lay hold of the things God has promised us.

On **July 12, 2024**, during my time of devotion, I jotted down a note. Sometime later, as I read back through my 2024 word, the Lord connected the dots between that July 12th note which read, **"God is a keeper of His promises—no matter how long it takes"** and the last statement of that 2024 word which states, **"this is THAT DAY and I AM THAT GOD who has promised and I WILL SURELY DELIVER. I KEEP MY PROMISES!"**

Don't give up on your promises. It may take a while but PURSUE AND RECOVER ALL! We had funds connected with a former address from **30 years** ago.

In I Chronicles 28, The Lord told David, you will not build a house for My name because you are a man of war with much bloodshed. Instead, your son will build My house.

Now, hear this! It would be approximately **40 years** from the time God said this until the completion of the temple. It took about **seven years** to complete it once construction began.

King Solomon remembered the promise and said to the Lord, **"You have kept what You promised Your servant David my father; You have both spoken with Your mouth and fulfilled [it] with Your hand, as [it is] this day."** I Kings 8:24 [NKJV]

“God is a keeper of His promises—no matter how long it takes!” And it does not matter who is against us! Keep your eyes on the One sitting on the Throne.

Let me set the tone for this 2025 journey...

The children of Israel left Egypt and traveled to the Wilderness of Sinai where they remained about 11 months to a year. They left Sinai on the 20th day of the second month of the second year heading for the Promised Land. The Ark of the Covenant represented God, and it was lifted up and led the way as they departed Mount Sinai. [Numbers 10:11-13]

So it was, when the Ark of the Covenant set out, that Moses said: **“Rise up, O LORD! Let Your enemies be scattered, And let those who hate You flee before You.”** [Numbers 10:35 NKJV]

Since Moses said those words when the Ark of the Covenant led Israel from Mount Sinai, David knew it was appropriate to say the same words as the Ark came to Jerusalem, its resting place. So, David proclaimed God’s triumph over all His enemies by shouting **“Let God arise, Let His enemies be scattered; Let those also who hate Him flee before Him.”** [Psalm 68:1 NKJV]

In that day, the Ark of the Covenant was physically carried with them to lead the children of Israel before Solomon built the temple as the final resting place for it. We have a better covenant today. We carry the presence of the Lord wherever we go because He resides in our hearts. The Lord told us, “This is **THAT DAY** and **I AM THAT GOD** who keeps My promises.”

It was a long wait and a long journey for the children of Israel to enter the Promised Land. But the bible tells us that they got there!

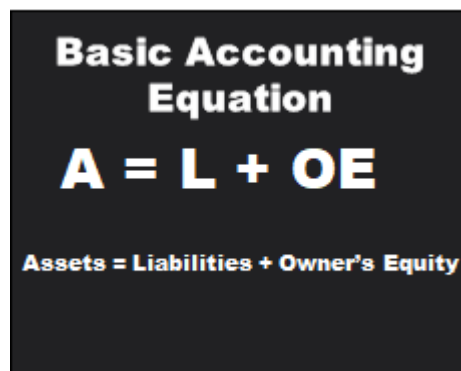

This will be another year of political and spiritual chaos, along with the added stress of economic chaos. There will be the tendency to focus more on what man is doing than what God is doing. I remind us of our declaration, **“Let God arise, Let His enemies be scattered.”**

Don’t look for answers in all the wrong places. Turn your FULL attention to God. HIS POWER IS ENOUGH TO TRIUMPH OVER ANYTHING!

I thought I was finished; that was all I had. But after completing this word, I didn’t feel I had complete closure. So, before going to bed, I asked God to speak to me during my sleep and solidify this word.

I awoke repeating $A - L = OE$; $A - L = OE$. Then I realized...

That’s the **Basic Accounting Equation: $A = L + OE$** (Assets = Liabilities + Owner’s Equity).

**Basic Accounting
Equation**

A = L + OE

Assets = Liabilities + Owner's Equity

$A - L = OE$ is a variation of the Basic Accounting equation ($A = L + OE$).

| | |
|--------------|--|
| $A = L + OE$ | Basic Accounting Equation |
| $A - L = OE$ | Variation of Basic Accounting Equation |

I then knew what the Lord was saying. **IF...IF...IF YOU WILL APPLY THIS formula, YOU WILL WIN!** It is conditional. **Let me explain:**

| |
|--|
| Variation of Basic Accounting Equation |
| $A - L = OE$ |
| IF YOU WILL APPLY THIS FORMULA, YOU WILL WIN! |

ASSETS are anything of value (look around the room; there's nothing here that doesn't have some value)

LIABILITIES are what we owe our creditors; our debts

OWNER'S EQUITY is what we own (the difference between our Assets and our Liabilities)

| |
|--|
| ASSETS are anything of value |
| LIABILITIES are what we owe our creditors; our debts |
| OWNER'S EQUITY is what we own (the difference between our Assets and our Liabilities) |

I know this is a bit technical, but bear with me. God speaks to us where we are. I am a retired Business college professor who understands the importance of accountability. Years ago, God used my accounting skills to catapult me to the head of the line for my teaching position. Accounting became one of my favorite subjects to teach. It is no coincidence that the Lord is once again using my accounting knowledge to deliver this message. I get it!

Saints, God could have given me the standard equation (**Assets = Liabilities + Owner's Equity**), but He gave it to me this way because He wanted to highlight “the bigness of God” in our lives. He wants me to tell you that this accounting equation (**A – L = OE**) is a proven formula that He is giving us to level the playing field. Hear me clearly...

| | |
|-------------------|--|
| A = L + OE | Basic Accounting Equation |
| A – L = OE | Variation of Basic Accounting Equation |

As a prophet of God, I am called to warn and foretell of divinely inspired revelations. This is the revelation I received from the Lord about this equation:

GOD is our greatest ASSET!

HIS (and our) enemies are our LIABILITIES—that part that keeps us from owning a greater share of kingdom blessings; a debt owed.

OWNER'S EQUITY is what's left when the debt has been settled; WHAT WE OWN!

The Lord says, I am the most valuable **ASSET** available to you; the **LIABILITIES** (debt that you owed) have been settled; I paid the debt and your balance is zero—you owe nothing. With debt eliminated, your **ASSETS = YOUR EQUITY!**

Variation of Basic Accounting Equation

$$A - \cancel{L} = OE$$

$$A = OE$$

The Lord is saying, with ME, you get it all! Now trust ME to override the economic system that is causing diminishing returns in your life. Don't look out there for the answers; turn your FULL attention to Me and trust MY plans, saith God.

“Let God arise and let His enemies be scattered!”

That is a declaration that we trust and believe in God to fight our battles and triumph over His (our) enemies. When we focus MORE on God and His promises and LESS on what's happening in our political and economic arenas, we will see it. We will experience it! It is our acknowledgment that **God's power is enough to triumph over anything! Over anything! Over everything!**
